I hereby authorize the Department of Water and Power of the City of Los Angeles, and the Chief Financial Officer thereof, to make total monthly deductions in an amount authorized by me or in any amount requested by Water and Power Community Credit Union, but not to exceed the amount specified above and remit same to Water and Power Community Credit Union for credit to my account(s) in said Community Credit Union.

Such deduction shall be made from compensation earned by me during any period designated by the Chief Financial Officer for which a Water and Power Community Credit Union deduction can be made.

This authority shall continue until Water and Power Community Credit Union shall notify said Chief Financial Officer in writing to cease making such deductions.

If my employment by said Department should, for any reason, be terminated, I hereby authorize said Department and said Chief Financial Officer to deliver to said Community Credit Union, or its agent, any and all sums due me, or such part thereof as may be necessary, to apply on payment of any indebtedness that might be owed by me.

Further, upon termination for any reason, I do hereby assign the power of attorney to the Asst. Secretary-Treasurer of the Water and Power Community Credit Union, to endorse all checks due me from the Department of Water and Power in order to apply the same payment of any indebtedness that might be owed by me.
